

Safe Place Workshop

Liability Waiver:

Holistic counseling is not a substitute for medical or psychological treatment.

Participants are advised to consult with a qualified professional for any medical, mental, health concerns.

Holistic practitioners are not medical doctors or physiotherapy professionals and can not provide medical, mental, neurological diagnoses or treatment.

You confirm that you are providing your consent to participate freely and voluntarily, that you understand the nature of holistic counseling, the potential risks such as emotional release, unexpected reactions, or lack of guaranteed outcomes and benefits.

Our Holistic counseling team is committed to maintaining privacy for all attending our workshops and group sessions.
